Ordinary Awards

ABOUT THE **ORDINARY AWARDS**

The **Ordinary Awards** celebrate and honor all of Virginia's restaurants, lodging establishments and hotels, DMOs, attractions, and more. The Awards, presented by the Virginia Restaurant, Lodging & Travel Association (VRLTA), are open to both members and non-members of the Association.

The awards are named after Chinn's Ordinary, considered "the oldest original inn in America" (Baltimore Sun), and built around 1728 in Chinn's Crossroads (now Middleburg), Virginia. Called "America's oldest continuously-running inn" (Thrillist), it has operated as the Red Fox Inn & Tavern since 1937.

So, why Ordinary? On one hand, the history of Chinn's Ordinary speaks to all facets of VRLTA's membership—restaurants, lodging, and travel.

On the other hand, the term ordinary is just the opposite of the hospitality and travel industry. Our industry truly is anything but ordinary, and this juxtaposition is almost too good to pass up.

The Ordinary Awards honor those in our industry, be they individuals or companies, that are truly extraordinary.

SPONSOR BENEFITS

The Ordinary Awards represent a unique opportunity either introduce or reinforce your brand reputation across the Virginia.

Sponsors will have their company information included in online, in promotional emails and social media posts, all event collateral and signage, earned media placements, and on-stage recognition during the Awards Dinner.

The event itself is a tremendous opportunity to network with potential potential customers and influencers and support the hospitality and tourism industry.
